List any State Tournaments hosted at the district, regional or finals level within the past five years.

In the state tournament, please cite any instance since 1995 when you have had a team withdraw from competition. If so, why?

Describe the efforts you have made to maintain good sportsmanship in your school and improve sportsmanship in interscholastic athletics.

Has your school district ever been sanctioned or placed on probation by the MHSAA or any league you have been affiliated with? (If yes, please describe the occurrence as well as the actions taken to rectify the situation.)

List any non-school facilities used for home athletic contest (if any):

List all sports/clubs that are not funded by your Board of Education.

Describe your crowd management program for home contests.

Describe any attributes associated with your athletic program that should be considered when determining your becoming a member of the CSAA.

Please list (or attach) all extra-curricular activities that your high school offers (e.g. Student Council, National Honor Society, Debate, Quiz Bowl, Forensics, etc.).

Periodically, teachers and counselors from CSAA Conference high schools meet to discuss curriculum and course offerings. How could your school contribute to an academic sharing of this type?

What current CSAA schools have you played in non-conference action this year or in recent years?

What current CSAA schools have you played in MHSAA tournament competition this year or in recent years?

What comments are they likely to say about your school, coaches, athletes, and fans? Why?

The Central State Activities Association (CSAA) prides itself on the strength and solidarity of friendly rivalries and on the balance between its academic and athletic components. Please electronically attach the academic/athletic philosophy statement for your school/district and submit it with this application.

Please feel free to send any other information that you wish to be considered.
